Jandon Faucet is made affordable and quality manufactured. A product with the perfect blend of design and usability yet scaled to fit your budget. You can rest assured, because our products are based on the latest guidelines and manufacturing components in the industry.

We would like you to appreciate the quality finish of our faucets like, just like the day you bought it. That is why we put an extra coating of chromium on all of our faucets, which results in a lasting clean shine.

Jandon Faucets are:

- Exclusive *LexuFinish*™ Provides a Smoother More Lasting Reflective Surface
- Polished Chrome Finish
- Solid Brass Waterway Construction or Copper Waterway
- Ceramic Disc Cartridges
- 100% Pressure System Tested
